WORKING TOGETHER TO SAVE THE PLANET

Becoming more eco-conscious in the workplace involves adopting sustainable practices, reducing waste, and fostering a culture of environmental responsibility

5 WAYS YOU CAN BECOME MORE ECO-CONSCIOUS

- 1 Purchase environmentally friendly products which are made from renewable, recycled, recyclable, or biodegradable materials
- 2 Encourage colleagues to share ideas about how to create a sustainable working environment
- 3 Shop local with us - it reduces fuel emissions, promotes a happier and healthier community and makes your neighbourhood a better place to both live and work
- 4 Consolidate your deliveries to reduce emissions and only buy what you need
- 5 Minimise your waste by encouraging colleagues to reduce, reuse and recycle

What are the benefits of buying from us?

-  You benefit from our expertise
-  You get quality customer service
-  It helps create local jobs
-  It helps retain community
-  It is great for the environment
-  Benefits the local economy

Also, look out for this icon!

We have highlighted our environmentally friendly products with this icon throughout Wisebuys to help you locate them easily

We can provide a variety of solutions to you and your business

Our diverse range of high quality products and services are designed to increase your efficiency whilst driving your costs down.

Whether you need a completely new office set up together with typical stationery supplies, a range of protective equipment to protect you at work, or simply a new printer, paper or cartridges for your home office, we have the facilities to help you.
